

### REMARKS

Claims 61, 64, 65, and 66 have been amended in this paper to address the matters raised in the Office action unrelated to patentability. Specifically, claims 64, 65, and 66 have been amended to remove "or the like" as urged by the examiner. Also, applicant chose to keep claim 64 and to cancel claim 54 since the latter claim contained a few inadvertent typographical errors. Applicant has canceled claims 54 and 62 in this paper as suggested by the examiner.

After entry of this amendment, claims 1, 3, 4, 6-11, 13-17, 20, 21, 23, 24, 26, 30-34, 36-38, 40, 50, 52, 55, 56, 61, and 63-66 are pending. Applicant is grateful for the allowed claims and believes that all remaining claims are now in condition for allowance.

Applicant kindly requests that the examiner have the Attorney Docket No. updated to: **ROYCE-66774**.

Respectfully submitted,

FULWIDER PATTON LEE & UTECHT, LLP
